SELLS AND SERVICES THE FOLLOWING AND MORE

## Boilers

Capacity 50 pph to 500,000 pph

- Industrial Watertube
- Firetube Dry and Wetback
- Flexible Watertube
- Electric
- Steam Generators
- Thermal Fluid Heaters
- Vertical Tubeless
- High Pressure Steam
- Low Pressure Steam
- High Temp Hot Water

VICTORY ENERGY

PARKER  
INDUSTRIAL  
BOILER

COLUMBIA

## Burners-Controls

VISIT [WWW.WAREINC.COM](http://WWW.WAREINC.COM)

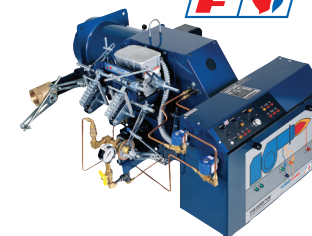

MAXON has a full line of industrial process burners

**FABER**  
*Burner Company*

Faber Burner Company is a industrial watertube burner manufacturer

Limpsfield Combustion Engineering is a high performance industrial burner manufacturer.

Power Flame manufactures gas, oil, combination gas and oil, low NOx burners and combustion control systems

AUTOFLAME

AutoFlame is recognized as the world leader in combustion management solutions.

# WARE

ALSO SELLS GASKETS, PUMPS AND MORE

## Accessories

**BFS INDUSTRIES, LLC**

BFS manufactures deaerators in spray, tray, and packed column type; boiler feed and condensate systems; and oil pumping systems and day tanks.

Heat recovery solutions

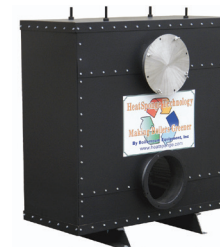

Industrial Steam manufactures deaerators in spray, tray, and packed column type; boiler feed and condensate systems; and oil pumping systems and day tanks.

Back pressure, Induction and synchronous steam turbines

**HeatSponge**

Heat recovery solutions

High temp, high pressure, hot water cleaning system

Propane back-up systems

**SIEMENS**

Gas Trains

## Valves

AVAILABLE 24 HOURS, 7 DAYS A WEEK 1-800-228-8861

**CRANE**

Gate, Globe, Check and Stop Check Valves

Regulators, Control Valves, Safety Relief Valves, Condensate Pumps and steam traps

Thermostatic, Thermodynamic and Float and Thermostic traps, Condensate Recovery Equipment, Boiler blow down valves and controls

Battery less, Wireless Sensor Network for trap monitoring and predictive maintenance

Boiler Blow Down Valve

**BONNEY FORGE**

Gate, Globes and Check Valves

*Edward Forged Steel Valves*

Gate, Globe, Check and Stop Check Valves

# WARE. All Ways Steam.

Available 24 hours a day, 7 days a week  
Call 800-228-8861 or visit [www.wareinc.com](http://www.wareinc.com)

## Services

WARE is the standard for providing and supporting steam generation, innovation and education.

### BOILERS

- Repair and cleaning for all makes and models
- Sales and installation
- 24-Hour emergency service
- Preventative maintenance agreements
- Commercial and industrial
- Combustion efficiency systems
- New boilers in stock 50hp - 1500 hp

### TUBE AND VESSEL

- Boiler tube replacement for all makes and models
- Certified welders
- Refractory repairs and replacement
- R, S, U, NB, PP Stamps and code repairs

### BURNERS

- Repair and service for all makes and models
- Efficiency testing programs
- 24-Hour emergency service
- Preventative maintenance
- Commercial, industrial and process

### TURN KEY PROJECTS

- Worldwide coverage
- Planning
- Design
- Installation
- Project management

### RENTAL BOILERS AND CHILLER

- Worldwide Coverage
- [www.WeRentBoilers.com](http://www.WeRentBoilers.com)
- 24-Hour emergency hot line / 800.228.8861
- Installation and startup
- Large inventory and immediate delivery
- Auxiliary equipment rental
- Super heated rental boilers

- Mobile boiler rooms 50 hp – 1,000 hp
- Skid mounted 10 hp – 250,000 pph
- Trailer mounted 30,000 pph – 75,000 pph
- Rental chillers 20 ton - 600 ton

### BoilerWAREHouse.com

- Over 40,000 parts on-line
- Frequently used and hard to find items
- Chat with experienced parts personnel

### CONTROLS AND INSTRUMENTATION

- Boiler & HVAC for all makes & models
- Sales and service
- Burners and process
- Modernization and installation

### COMPETENCY TRAINING

- Trap studies
- Combustion analysis
- Steam system surveys

### WARE BOILER UNIVERSITY

- [www.wareboileruniversity.com](http://www.wareboileruniversity.com)
- Continuing education credits
- Custom schools at your facility

### THE VALVE SHOP

- [www.warevalveshop.com](http://www.warevalveshop.com)
- Valve repair for all makes and models
- Control•regulator•safety relief•manual valves
- Valves set to your specification
- Mobile valve repair
- VR, ASME and NBIC stamps
- For air, steam and liquid

### WATER TREATMENT

- Boiler chemical programs
- Chiller and cooling tower chemicals
- Chemical feed equipment
- Water conditioning equipment
- HelioJet

### REMANUFACTURED BOILERS

- Worldwide coverage
- National Board inspected and approved
- Dismantled and worn parts replaced
- Trimmed to meet customer's requirements
- New boiler warranty
- All makes and models
